Allotting seats for Higher Medical Studies

4312. SHRI ANANTA SETHI : Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state :

(a) whether it is fact that the Ministry is the Nodal agency for allotting seats for higher studies like M.D., M.S. and other degrees to different Medical Colleges—Government owned or private;

(b) if so, the comparative details for the years 1996, 1997, 1998, 1999 and 2000, in corporating the information for the existing number of seats, demand of seats by the colleges seats allotted by the Ministry; State-wise, college-wise, residential university-wise; and

(c) the criteria or norms being adopted for allotment of seats ?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI N.T. SHANMUGAM) : (a) and (b) The Central Government on its own do not allot any PG degree seats to any medical college. However, the Central Govt. have been permitting new PG level courses and additional PG seats in medical colleges under the provision of IMC (Amendment) Act, 1993 and the Regulations made thereunder. College-wise details of additional PG level seats permitted after amendment to IMC Act are given in the annexed statement. (*See* below)

(c) The detailed criteria for seeking permission of the Central Government to start PG level courses has been prescribed in the Regulations of Medical Council of India. Grant of permission for new PG level courses depends upon the infrastructure available and recommendations of the Medical Council of India thereon.
